County Road Bore Permit

This County Road crossing permit shall comply with construction specifications required by Texas Department of Transportation's Standards relating to road boring projects. Gonzales County retains the right to approve the work performed prior to providing a final approval of this project.

Application:

Applicant (Permittee/Company): _____

Address: _____

City: _____ State: _____ Zip Code: _____

Email: _____ Phone: _____

Proposed Location is in Gonzales County across County Road _____ situated in Precinct Number _____. The exact location and extent of the proposed work are depicted on the attached drawing(s) as Exhibit "A" to this Authorization Letter. Exhibit "A" will also include GPS coordinates of the pipe, or culvert crossing.

Proposed Pipeline shall be _____ inches in diameter, shall be made of _____ (PVC, Steel, Cast Iron) and shall be used for transmission of _____ (Water, Sewer, Oil, Natural Gas or Utility Services). Each gas, liquid or substance that may be introduced into the pipeline is fully described in the attached Exhibit "B", along with the amount of pressure that will be exerted within the pipeline. The material specifications and limitations of the pipe are fully set forth in the attached Exhibit "B".

Proposed Timeline of Construction within the right-of-way will begin on or after _____, 20____, and will be completed on or before _____, 20____.

Application Fee: Gonzales County requires a permit fee of \$400.00 for each County Road crossing. (# of crossings) _____ X \$400.00 = \$_____.
