DRIVEWAY PERMIT CHECKLIST

TO ALL PERSONS APPLYING TO CONSTRUCT AN ACCESS DRIVEWAY FACILITY ON GONZALES COUNTY
RIGHT OF WAY:

When is a driveway permit needed?

- If you are installing a new driveway
- If you are upgrading an existing driveway by:
 - Installing a culvert
 - Changing a dirt driveway to concrete or asphalt
 - Doing any work within the County right-of-way (county road to fence)
- If you are removing asphalt or concrete
- If you are widening your driveway

When is a driveway permit **NOT** needed?

- If you are adding a layer of gravel to an existing gravel driveway
- If you are seal coating an existing asphalt driveway
- General maintenance not involving resurfacing of existing driveway

No driveway construction shall commence prior to consulting with the Commissioner of the Precinct of the area in which the driveway is being constructed and before the permit is approved and issued.

POLICIES AND PROCEDURES

- Design of the construction shall be as authorized and approved by the Gonzales County Commissioner’s agent or representative’s plans and specifications as set forth in the Driveway Permit Regulations.
- Maintenance of facilities constructed as requested shall be the responsibility of the grantee, and the COUNTY OF GONZALES will reserve the right to require any changes, maintenance, or anything deemed necessary to provide protection of life or property on or adjacent to the roadway. Changes in design, when approved, will be made only with the approval of the County Commissioner or designated agent.
- The applicant shall hold harmless the COUNTY OF GONZALES and it’s duly appointed agents, employees, and officials against any action for personal injury or property damages sustained by reason of the exercise of this application.
- The applicant shall agree not to erect any structure on, or extending over any portion of the road right-of-way, or vehicle service fixtures such as service pumps or vendor stands. Tanks or water hydrants will be located (12) feet from the right-of-way to ensure that any vehicles services from these fixtures will be off of the road.
- Any culverts or drainage devices deemed necessary by the COUNTY OF GONZALES shall be furnished by applicant. The County may install for the applicant.
- The reflective 911 address sign that is required to be posted at the driveway entrance and visible from the roadway can be purchased from your choice of any vendor. Failure to post the required reflective 911 address sign at the driveway entrance, and visible from the roadway, may result in varied forms of liability for company, employee and/or contractor injuries and/or deaths, if emergency services are delayed due to the inability to quickly and efficiently locate the correct 911 address. The reflective 911 address sign(s) can also be purchased from the Gonzales County EMS, at 703 St. Joseph - Gonzales, TX 78629, Office: 830-672-7675.
